

Camp Tilikum

July 31 – August 4

Grades 1-8

Experience Creation. Establish Friendships. Unplug from Technology

Every summer, over 2,500 kids come to experience the awe and wonder of God's beautiful creation on Tilikum's 93 acres of wooded hiking trails, grassy meadows, and pristine lake. There are so many fun activities at Camp including daily swims in the lake, boating, visiting the barn animals and special activities such as the Giant Tree House and Big Swing. There are great bible skits each morning accompanied by fun songs. Your camper will leave the Christ Church parking lot each morning at 8:00 am on a chartered bus and return each afternoon around 4:45 pm. **We have 35 spaces!**
